NOTES FROM HERE AND THERE...

Set Clocks Ahead – Don't forget Daylight savings time begins March 14th, so set your clocks Ahead on Saturday Night March 13th so you won't be late for Sunday Worship and Church School.

Thank you to the Confirmation Class & Mentors who were part of the Homeless Awareness Event last Saturday! It was a great success! We raised over our goal of 1200! We are thankful also for deacons Craig Grant, Ann Varna-Garis and Jim Siegfried who donated their time and food for us. I was impressed that many of you asked your siblings, mentors, relatives and neighbors to donate! If you are still getting donations, you can give them to me or the office.

From despair to hope, from fear to trust!

FROM THE DEACONS

Well, we made it out of the year 2020! It is doubtful that we will ever forget this one! But 2021 will be bringing us plenty of challenges as well, both personally and as a church.

Despite the fact that we have these onerous pandemic restrictions preventing our return to normality, we, as a church, have remained strong throughout these times. This is true not because of dumb luck, but rather, because the Seekonk Congregational Church – United Church of Christ has been blessed with so many incredible people. These people have allowed us to adapt very quickly to the many challenges that confronted us during the reign of the coronavirus.

All of our Boards and most of our Committees are still meeting on a regular basis, but virtually, thanks to this technology called Zoom! This didn't just fall from the sky, we had some tech-savvy members that investigated this, learned how to use it, and then trained the rest of us to be comfortable with it.

Remember the Christmas Bazaar this last year? We went from thinking there was no way it could happen, to looking back on one of the more successful Bazaars ever. This happened because we have incredibly creative people who are committed to keeping our church's finances running smoothly.

And, these people have not stopped there. Most of them are members of our Fundraising Committee (led by Evelyn Watkins), which has a bunch of events coming up. Think Italian Night, Corned Beef & Cabbage Dinner, Online Auction and more! Want to learn about all of these? Just catch the latest email newsletter from another one of our incredible & creative people...Donna Euell!

And who can utter the term "incredible" without thinking of our Senior Minister, Rev. Joy C. Utter? She is having to work doubly hard to create the virtual service every week, while still doing the in-person service each Sunday. And one thing that most of us do not realize is the fact that, during these very

stressful times, the demand on her counseling time has increased dramatically!

As we talk about services, we also need to acknowledge that our Director of Music, Susan Barrow, must do double duty as well. In addition to playing the music for our virtual services, because she is not able to play in-person events due to a compromising health issue, she has devised a way to record the hymns so that they can be played back on our sound system on Sundays. Which reminds me, we now have an Assistant Organist, James Siegfried, who makes sure the hymns are played on cue!

When we use the term “creative”, the name that comes immediately to mind is our new Director of Faith Formation, Kristin Putney. Upon the retirement of our beloved Associate Minister, Marilyn Ricci, Kristin agreed to take over the responsibility of the Confirmation Program in addition to her former Christian Education duties. She created an online forum for our youth, and if you have seen one of these YouTube videos, you will understand the term “creative”! If you have not seen one, well, what are you waiting for???

We thank our Deacons for the efforts to reach out to as many members as possible. However, if any of you have needs of any sort, or know of someone else that does, please let your Deacon know, or let Maria know and we will try to help you.

In the lead paragraph, we promised that we will have plenty of challenges in 2021. One of those has already been that of trying to figure out how to navigate the Covid-19 vaccination process. First of all, DO make sure you get vaccinated, not only for you, but for the rest of us as well to beat this virus. Second, be patient, but also be aware of any changes in the schedules in your state so that you can sign up as soon as possible!

DEDICATING OUR CHURCH GARDENS IN MEMORY OF OUR BELOVED FAMILY MEMBERS AND FRIENDS

One of the things many of us have been doing during this unusual time since March is to work outside in our yards and beautiful gardens. And we have wonderful volunteers who help maintain our Church gardens and grounds - we thank you all VERY much! The Deacons have also been working on a project to help work on our Church gardens and to dedicate some of our Seekonk Church Gardens to loved family members and friends.

Garden in front of the Church - with Larry Hindle and Russ Noble's help we have replanted the Garden in front of the Church. New shrubs, perennials and daffodil/tulip bulbs have been planted and are being watered to be ready to bloom next spring.

We also have several Church members who maintain gardens around our property in memory of family members.

NEXT STEPS: Our next steps are to:

- 1, Provide plaques for the Church families who already maintain a Church garden in the name of their loved one(s)..
2. Offer the opportunity for Church family and friends who wish to have the name of their loved one(s) added to plaques for the Garden in front of the Church to let us know.
3. Offer the opportunity to adopt a section of our Church gardens to maintain and provide a plaque for each new gardener/family.

WHO TO CONTACT?

If you wish to have the name of a loved one added to a plaque and/or if you wish to choose a garden section to help maintain, please call Evelyn Watkins at 401-680-2490 or our Church Office at 508-336-9355

Thank you all very much,

Your Seekonk Congregational Church, UCC Deacons

FROM THE TRUSTEES

The Trustees continue to meet via Zoom, with each month's agenda full of everyday issues with the grounds, buildings, and finances.

We are very grateful that our members continue to send in their pledges. Combined with the forgivable Paycheck Protection Program funding from the government which we received last April, we have been able to keep up with all our standard expenses. We have also applied for and received the second round of PPP funds. While this money covers our budgeted expenses and helps unwind the deficit of the past few years, it is time for us to shift our attention to the budget for the coming year, which begins on July 1st.

Two years ago, we agreed to put \$25,000 in the budget to cover major upgrades and repairs. We were unable to include the additional \$25,000 last year due to COVID. Unfortunately, it looks as though we may not be able to do it again this year. However, the list of repairs and upgrades continues to grow. The latest renovations made to the church were 20 years ago, and much of our campus and facilities are far older than that.

We have a laundry list of items, ranging from a broken HVAC system in the Memorial Room to persistent flooding of the Gardiner Building, all of which need improvement, repair, or replacement. Of particular concern are structural issues with both buildings: the sanctuary roof urgently needs replacement, exterior wood rot needs to be abated in a number of places, and both main buildings need to be painted. Three years ago we received quotes on several of these items and we have already begun pursuing updated quotes. Based on the extent of the work to be done, we estimate that the total amount needed for repairs is at least \$50,000. We remain vigilant about spending wisely, but our deferred structural maintenance cannot continue. We have reached the point that we will cause more damage to the buildings if these repairs are not addressed this year.

In light of the cost, the Trustees are exploring as many avenues for funding as possible. (Donations are always welcome!) Regardless, we want you to be aware of our future needs and funding issues. If any of you know of contractors that could give us quotes, please contact the Trustees Co-Chairs: Craig Mace (macc28@comcast.net) or Jon Gherardini (jsgher@gmail.com). With your help, we are confident that we will emerge from 2021 with facilities that are ready for the next 20 years.

Yours in faith and service,
Board of Trustees

SNOW SHOVELING

The trustees would like to remind anyone, to shovel walks when we have snow storms...

JUST COME!! We have shovels or bring your own.

Many thanks to all who have come and shoveled during this winter. As always, if you have any concerns please see any member of the Trustees.

**Thanks to all who contribute to the
Mortgage Debt Reduction!**

The Blue envelopes in your box help us meet the monthly expenses.

Is your Pledge up-to-date?

**Have You Remembered Your Church In Your Will??
The Generations To Come Will Be Exceedingly Grateful!**

Dear Kristin Putney,

On behalf of the Board of Trustees, I am writing to express great thanks for the help you and the Confirmation Class of 2020-2021 provided in cleaning up leaves on our church grounds. As you and the confirmands probably realized, the trees on our property created a lot of fallen leaves.

In years past, the cleanup process took many days and was done by a few members of our church. You and the Confirmands have proven that many hands make light work. You all exemplify commitment to our faith community.

Thank you for your extraordinary work!

Sincerely yours,

Craig Mace, Trustees Co-Chairperson

FROM THE STEWARDSHIP COMMITTEE

Stewardship Campaign 2021/22 -

Our Seekonk Congregational Church, UCC Stewardship theme this year is: ***'TOGETHER' - in Loving and Serving***

Romans 12: Together: We who are many are one body in Christ and individually we are members of one another together...

Sharing virtual worship, virtual Church School and Confirmation Classes for our children and youth and keeping in touch with one another with phone calls and prayers during this unusual time are all ways we can be TOGETHER.

We also eagerly look forward to the time we will all be able to safely regather together in person.

Stewardship - What does it mean to us this year?

We are all members and friends of this active church community and we can all continue to support the many programs and activities by sharing our time, talent and treasure and by pledging whatever we are able to support our Church. Our Stewardship Goal is the same this year as it was last year.

This year our Stewardship Campaign will begin on Sunday, February 28th and our Dedication Sunday will be on Sunday, April 11, 2021 ...the Sunday after Easter.

You will receive a letter from our Stewardship Committee with a pledge card you can mail back to the Church Office. You can also pledge by logging into the website to donate on-line or you can call Maria Tavares, our Church Administrator, at the Church office and she can help you.

The Stewardship Committee is also ready to answer any questions or concerns you might have.

Thank you all VERY much!

Tony DeJesus, Donna Dunn, Hazel Greene, Larry Hindle, Lisa Majewski. Lori Ferreira (co-chair) and Evelyn Watkins (co-chair)

Stewardship, what does it mean to you?

You are a member of an active, vibrant church community, but it doesn't happen without your care. How can you help your church thrive and grow? Time, talent and treasure are the gifts you bring. Pledge whatever you are able in support of pastoral care, Christian education, building maintenance, and utilities. You can make a difference, if you pledge.

~ OUR OFFERINGS ~ DIFFERENT WAYS OF GIVING

Have you ever noticed that some people don't put anything in the offering plate during worship!?!? Not that its anyone's business...but some folks would like it known that they give with a check each month or every two months while still others give electronically and have it taken out of their checking and sent to the church directly...and of course there are those who give faithfully into that plate every week! So...there are different ways of giving and we give thanks for the variety.

THANK YOU ~~THANK YOU ~~THANK YOU

Dear Congregation,

Now that I am half way through cleaning out my office here at the church while trying to find places at home to put all of those things that were so necessary for my work here, perhaps I am a little overwhelmed. The nice part about cleaning my office is the wonderful memories that it conjures up. Pictures of places that I almost forgot I've visited with our young people. Overly "animated" teens who I sometimes thought we were driving home a football team! Our teenagers, who entrusted their concerns about the world they were trying to navigate. And my joy of being a very small part of their lives as I watched them move into the responsibilities of adulthood!

As I am still trying to get used to re "tire" ment, I appreciate the GREAT retirement party I did have. Thank you for the kind words spoken that day by Rev. Joy and all the committees who shared gifts with me. I know that a lot of work goes into these events...And of course having to work around covid 19 must have made it an extra challenge.

Also, from the bottom of my heart thank you for all of your cards, gifts and your generous financial gift. It is like sending me off into the world as if I am wrapped in love, with the acknowledgement of my worth, feeling treasured and cherished.

I am blessed with many wonderful memories,
Rev. Marilyn

Some Facts About Lent

The season of Lent began on Ash Wednesday. That day is so named because in the early church ashes were sprinkled on the heads of penitent Christians.

This custom remains today and is becoming more wide spread in the Protestant Churches. The sign of the cross on forehead or in the palm of the hand symbolizes our being open to God and offering ourselves with clean hearts before our God.

The color for Lent is purple, reminding us of Lent's penitential mood.

Lent lasts forty days, until Easter. but if you count the days from Ash Wednesday until Easter Sunday, you get 46. That's because Sundays are excluded from the count (and from Lent). They are designed as "feast days," commemorating the resurrection.

The origin of the word LENT is the Anglo-Saxon word, LENCTEN, meaning "spring", the time when the days lengthen.

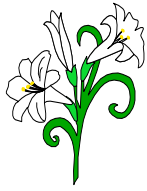

In some families there is the tradition of "giving up" something for Lent. That evolved from the idea that Lent was a period of fasting in preparation for baptism which was observed on Easter Eve.

Thankfully, most of us have progressed from the idea of "giving up" (Self denial) to the idea of "taking on" for the good of others.

There are many ways Christians benefit from Lent today. The season encourages us to set aside time for quiet contemplation...to read, meditate, and pray; to reflect on the direction of our own personal lives and on the meaning of the life, death and resurrection of Jesus.

It reminds us that we are a part of a community of faith that makes a profound difference in our lives and in the way we reach out to those near at hand as well as those on the other side of the world.

In short, Lent is a time to reflect on the relationship between our lives and our faith, between Jesus' journey and our own.
